Friday: 7:00 am to 11:00 am

Winter Hours

Monday – Thursday: 8:00 am to 6:00 pm; closed from 12:30 pm to 1:30 pm for lunch.

Friday: 8:00 am to 12:00 pm

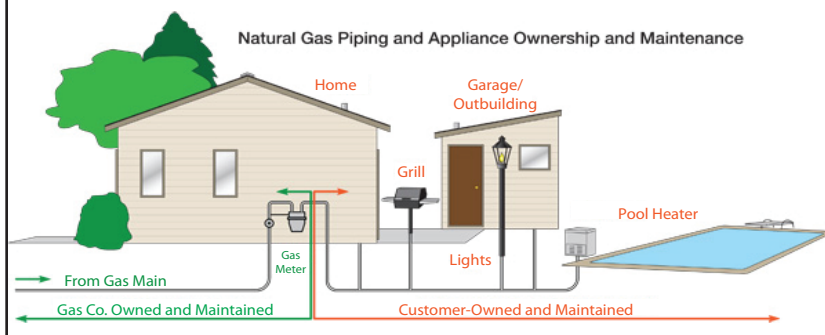

METER AUDITS: South Eastern continues to perform meter audits and meter replacements. You may see an increased presence of Gas Co. personnel in your area. If you have questions or concerns, please contact the office.

FEDERAL REGULATION #192.16 requires that we notify you to exercise diligence regarding underground or buried gas piping. Buried gas piping may be subject to leakage and/or corrosion (corrosion can occur on metallic pipe) and could potentially be subject to hazards if not maintained.

Remember that all gas piping downstream (house side) of the gas meter belongs to you, the gas customer, and the gas customer is responsible for the maintenance and operation of this portion of the gas line system. We do not own the gas line beyond the meter; therefore, we do not routinely maintain or locate these gas lines. Commercial plumbers and/or heating contractors may be contacted if and when consumer piping need attention.

Buried piping should be:

- Periodically inspected for leaks.
- Periodically inspected for corrosion if metal piping.
- Repaired if any unsafe condition is discovered; or the flow of gas should be shut off.

SAFETY REMINDER: Schools will be back in session soon and we want to remind everyone to watch for students as they wait for and get on or off school buses. Take extra precautions in school zones and neighborhood areas where children and teens may be riding or walking to school; also remember to watch for frequent bus stops.

**Know what's below.
Call before you dig.**

BUDGET CUSTOMERS:

The 2021/22 Budget Year began with last month's billing statement. Many customers paid an incorrect amount last month. Please review your bill carefully and pay the correct amount with this month's billing. If you use online banking, please verify you have the correct amount entered and that the account number matches this billing statement.
